

The new **ARMRIT Online Portal** makes managing your certification faster & easier from anywhere.

Key Benefits

- Fast & convenient renewal process
- Easy updates for contact information
- Secure access to your certification records
- Easy updates to required documentation

How to Get Started

1. Visit account.armrit.org
2. Log in using your existing account credentials, or use the username and temporary password provided in your mailed letter.
3. Update your contact details and ensure you provide a valid personal email address to receive future communication and maintain access to your account.
